

Women of Achievement, Inc. was founded in 1984 by a group of women dedicated to honoring the extraordinary women who have made Memphis and Shelby County better through their lives and accomplishments. The coalition of diverse civic and professional groups and support agencies organizes events to recognize and celebrate these women.

Now our vision remains the same – to educate the community about the important achievements of women, to celebrate those accomplishments, and to inspire other women and girls to take risks and boldly achieve for themselves and for the community.

## **Awards Banquet and More**

Women of Achievement holds an annual awards event in March, National Women’s History Month. Seven awards, based on the quality of character that underlies achievement, highlight contributions of women who improve our community and the advancement of women. Awards are given without requirements on education or income and are not limited to professional categories. See a complete list of honorees at [www.womenofachievement.org](http://www.womenofachievement.org).

WA also hosts annual public forums. Panelists discuss ways women have tackled issues and concerns throughout local history, spotlighting how women have broken barriers to become leaders in business, government, law, the arts and community and civic service.
